## **Market Growers, Truckers and Florists**

This Special Wholesale Price List offers every variety of vegetable and flower seeds that Maule can supply. Complete descriptions will be found in Maule's Seed Book for 1940. If you do not have a copy of this valuable Seed Book kindly advise us, and one will be mailed you promptly.

### **Maule's Seeds are Guaranteed**

Each lot of seed is thoroughly tested for germination. The exacting nature of these tests has won the confidence of thousands and thousands of gardeners who not only buy Maule's Seeds year after year but gladly recommend them to their friends. Many new customers are added to our list each year through recommendations of those who know just how good Maule's Seeds really are because they have planted them. Won't you give them a trial; results must be satisfactory or your money will be refunded. See the Maule guarantee below.

### **Maule's Famous Guarantee**

**We guarantee the vitality and purity of Maule's seeds to the full amount of the purchase price.**

**We will refill your order or refund—any time within a year—the full amount paid us for Seeds, Bulbs or Roots, if you are not satisfied with the results.**

**We send you only the highest quality goods and gladly stand back of them, but, as weather, soil and care also influence crops, we shall, in no case, be responsible for any amount beyond the sum you actually pay us for the Seeds, Bulbs or Roots.**

### **Credit and Terms of Payment**

Our terms are cash with order, unless you have an account with us or are satisfactorily rated by the commercial agencies. If you want your seeds sent by parcel post or express C. O. D., or freight, sight draft bill-of-lading attached,  $\frac{1}{4}$  of the value of the order must be sent us as deposit.

### **Maule Pays the Postage or Express**

**Except Where Noted Otherwise**

All Flower Seeds, in any quantity, are sent prepaid.

All Vegetable Seeds offered "Transportation Prepaid" will be delivered to you postpaid, or express paid, our option, **free of all transportation charges.**

On all Beans, Sweet Corn, Pop Corn, Peanuts, Peas and Sunflower seed, Asparagus roots, Garlic sets, Horse Radish sets, Mushroom Spawn, Onion sets, Potatoes and Rhubarb roots listed "Not Prepaid," the purchaser pays the transportation charges. If such goods are wanted prepaid, include sufficient to cover postage or express charges.

### **Prompt Shipment**

Practically every order is shipped the same day it is received. Unless instructed otherwise, all Vegetable Roots, Potatoes, Flower Bulbs and other perishable stock ordered during the winter months will be held for shipment until we feel it is safe to forward. Crops of some varieties of vegetable seeds are short this season. To avoid possible disappointment, we suggest that you order early. **No order is too large or too small to send to Maule.**

---

**FREE** A packet of Maule's Special Mixture of Marigold Seed with every order and, in addition, 2 large Red Giant Gladiolus Bulbs with every \$1.00 worth of goods you buy this spring. You get 2 bulbs free with a \$1.00 order, 4 bulbs free with a \$2.00 order, 6 bulbs free with a \$3.00 order and so on.

and Customers**

**FREE Red Giant  
Gladiolus Bulbs**

Maule's Red Giant is a very showy, large flowered, fiery orange-scarlet Gladiolus that never fails to attract attention, whether growing in the garden or used for cutting. Tall, strong spikes with many flowers open at one time. Bulbs increase and may be saved from year to year.

Two big bulbs of Maule's Red Giant Gladiolus will be given you free with each \$1.00 worth of goods ordered from this catalog this spring. The larger your order, the more bulbs you will receive. Don't miss this remarkable free offer. You will be delighted when you see the flowers.

**FREE Special Mixture  
of Marigold Seed**

To every customer this year we are giving free one packet of Maule's Special Mixture of African Marigolds, value 25¢. This mixture is outstanding, for it contains a beautiful color range and many different flower shapes—some never before seen in marigolds.
